San Diego Sofa, Armchair, Ottoman & Coffee Table

Left San Diego Modular Suite, Coffee Table & Sun Lounger

With roots in Belgium, Manutti is the designer and manufacturer of elegant and exclusive outdoor furniture. Their outdoor range showcases beautifully crafted furniture, tables and accessories as well as modular sofas for which they are world renowned as pioneers of the style.

With a passion for research and technological development Manutti pieces are not only designed for outdoor use, but are also characterised by their quality. Their collections are constructed using fabrics designed specifically for the outdoors with special attention to the finish and fine stitching in matching colours.

Their gorgeous pieces range from a traditional to contemporary style and transpose the concept of "indoor sitting room" to outdoors to bring a touch of class and elegance to gardens and terraces all over the world.

Aikana

Designed for the outdoors, Fast products are made in Italy and developed by experts with input from well-known international designers. Their range of products allows you the pleasure of relaxation and comfort coupled with the special nature of aluminium; light, strong, rust free and resistant to the effects of weather.

The creative craftsmanship, high-precision and in depth knowledge of the material and production process has seen Fast become the leading company die-cast aluminium furniture production. At the heart of their production process is Fast's own foundry where each piece is die cast then given a handcrafted and refined finish by highly skilled craftsmen.

It is this attention to detail that creates a harmonious balance between highly automated production systems and handcrafting. Advanced technology and traditional craftsmanship marry to create technically accurate products enriched by the value and beauty of that handmade touch.

TRIBÙ

Mood

# TRIBÙ

Tribù represents exclusive, modern outdoor furniture which embodies the distinct look of Belgian design. Their philosophy is that the terrace and garden should be seen as extensions of the home which they achieve through delicate detailing, denoting a finesse that can be compared to the finest interior furniture.

Their focus is on simplicity, innovation and quality, designing within these 5 ideals- discreet luxury, durable quality, innovation, unmatched comfort and respect for nature. This mix has seen Tribù become one of the worlds most renowned and pioneering outdoor furniture brands.

Timelessly elegant, Tribù products are a mix of contemporary elegance and individual modernism that doesn't feel tired, even after years of enjoyment. The Tribù style, put simply, is simple lines with a unique sense of detail.

Left Sion Armchair, 2.5 Seater Sofa & Cadiz Sun Lounger

Jati and Kebon contemporary furniture offers stylish and high quality outdoor pieces. Their brand focuses on the seven key areas of sustainability, innovation, aesthetics, low-maintenance, comfort, function and weather resistance to develop this affordable range.

They are renowned for their innovative fabrication methods and use of high quality materials. The aluminium furniture produced by Jati and Kebon is durable and robust yet extremely lightweight. Their use of teak adds a lightness which is smart and classy with a lot of character and guarantees a pure and natural look. Contemporary furniture designs boasting clean lines and timeless, understated pieces that will match every architectural style.

Understanding the need for comfortable, luxury outdoor furniture that extends your living space is one of Jati and Kebon's design cornerstones- ensuring they offer you everything you need for a functional and attractive outdoor oasis.

## calligaris

The Calligaris brand is synonymous with Italian style which has made them a leader in the furniture industry. They represent a guarantee of quality, care and creativity with design that is flexible and intelligent.

Each piece is ready to enter the most diverse of homes, harmonising with different styles, resulting in unique outdoor environments.

## Kartell

Kartell is a symbol of Italian design and easily recognisable around the world for the emotions their products generate, their durability and undisputed quality.

Each piece is sensual and precious, radically transforming the perception of a plastic product from a merely functional object to a veritable luxury item.

Sourcing their materials from around the world, New Zealand brand Devon's innovation and design speaks for itself. With leading edge construction techniques that cut no corners and an emphasis on the most important aspect – a passion for outdoor living – incorporated into every piece they make.

They believe that quality outdoor furniture doesn't rest on the table top. As with most things it's what's going on underneath that counts, and for all Devon Furniture this includes construction that copes with the stresses of weight and movement admirably.

Devon's core focus is on style, comfort, colour and durability, which they fulfil by using raw materials and methods of constructions which are as timeless as the designs themselves – surviving everything Mother Nature can throw at them.
