

# Skin

A modern design with clean and decisive lines,  
ideal for indoor or outdoors

## Key Features

The Skin is a modern monoblock chair, stackable up to six chairs high.

The Skin is created using a high-tech airmoulding injection technique, which gives the chair exceptional sturdiness, as well as reducing the weight.

The highly-resistant shockproof feet in polyethylene are interchangeable. Available in the polypropylenemaking it perfect for outdoor use.

## Origin

Made in Europe
